

OUR MISSION

The Mission of Rise Above is to equip teens in a way that will allow them to reach their full God-given potential through reading, phonics and academic credit recovery programs. RA will allow teens to become connected to the community of people, businesses and education through networking and resource sharing.

If you believe in that mission, we invite you partner with us as a **volunteer**. The following brochure outlines the many ways that your gifts can be used to minister to teens at Rise Above.
